2021 CAREER FAIR

The Chamber is planning to hold the Annual Career & Business Expo on Friday, September 17th, 2021. The event will be held at the Prince of Wales Cultural and Recreation Centre and will host approximately 10 high schools from the Prairie South School Division with over 300 students expected to attend.

The Annual Career and Business Expo is an excellent opportunity for businesses to interact with future employees. The event will run from 10:00 am to 2:30 pm with exhibitor booths available to the students throughout the day. The morning will also offer the opportunity to address the students during a speaker session. To have a booth at this year's expo, contact the Chamber for a registration form.

While we are hoping public health restrictions will allow us to host a large gathering, if the event must be cancelled due to the COVID-19 pandemic all exhibitors will receive a full refund of their registration fee.

NEW FACEBOOK PAGE

Another change at the Chamber is the creation of a new Facebook page. Unfortunately, the Chamber's former Facebook page was hacked and the organization has lost access to the account.

We have created a new Facebook page intended to share important information with our members and local business professionals. This page will be used to announce Chamber events and services, provide information about memberships, share messages from the Saskatchewan Chamber of Commerce as well as material that will be beneficial for our local businesses.

We invite you to follow our new page at: <http://bit.ly/AssiniboiaChamberFacebook>. We also ask that you take a moment to share the new page with other community members who may be interested in business-focused content.

MEMBER DIRECTORY COMING SOON

In partnership with the Assiniboia Times, the Chamber has begun work on the annual Member Directory. Each year, chamber members receive a free listing in the directory as part of their membership. The directory is distributed to our local hotels, motels, and restaurants as well as being distributed by the Assiniboia Times and the Chamber of Commerce. The publication provides great exposure for our members to local residents as well as tourists and travellers coming through town.

This year, there will once again be the opportunity to purchase additional ad space in the directory. If you are interested in promoting your business in the directory, please contact the Assiniboia Times. We also ask that you contact the Chamber if there have been any changes to your business or contact info in the last year.

ONLINE MEMBER SURVEY

We still want your feedback on the organization's events and services. If you haven't already completed the Chamber's member survey, it's not too late to do so.

We've created a brief online survey that is intended for Chamber members and non-members. The responses will be kept anonymous and will help us evaluate the effectiveness of the Assiniboia & District Chamber of Commerce. Your feedback will help us improve our services and create more value in your membership.

Visit: <http://bit.ly/assiniboiachambersurvey> to complete the online survey or leave a message at 306-642-5553 to have someone call you to do the survey over the phone.

We value the feedback and appreciate you taking the time to complete our quick survey.
